#### **Advanced Writing Requirement (2 courses)**

Students must also fulfill an upper level writing requirement in their second or third year. This requirement can be met by completing one Research Writing course plus one Professional Writing course. JDMBAs and 2-Year-JDs may satisfy the upper level writing requirement by completing either one Research Writing course or one Professional Writing course, but they may not count the writing course toward another degree requirement, such as Experiential Learning.

#### **Research Writing**

- a. A course meets the graduation requirement of a Research Writing course if a principal element of the assigned work in the course consists of one or more papers totaling a minimum of 7,000 words, including footnotes, and meets the following criteria:
  - Each paper makes an argument based on research conducted by the student.

- · Each student submits a full initial draft for each paper.
- Each student receives substantial individual feedback from the professor on the clarity and effectiveness of the writing as well as on the substance and organization of the argument in the draft.
- Each student submits a final draft responding to the professor's feedback.
- b. Senior Research (https://www.law.northwestern.edu/academics/ curricular-offerings/senior-research/) (4 credits) or a 3-credit Independent Study project (https://www.law.northwestern.edu/ registrar/documents/independent\_study\_rules.pdf) counts as the equivalent of a Research Writing course.
- c. Satisfactory completion of a journal note written with faculty supervision, certified as satisfactory by the appropriate journal editor and the faculty supervisor, counts as the equivalent of a Research Writing course.

#### **Professional Writing**

- a. A course meets the graduation requirement of a Professional Writing course if a principal element of the assigned work in the course consists of substantial transactional, litigation, legislative, regulatory, public advocacy, or judicial writing of the sort that practicing lawyers do and that is assigned in a real or hypothetical practice context. This sort of writing is designated here as an "assignment."
- b. Assignments meet the Professional Writing requirement if they consist of at least:
  - i. A single substantial written assignment of approximately 5,000 words, written entirely by an individual student; or
  - ii. Three or more written assignments completed over the course of the semester.
    - A single assignment that requires multiple substantial revisions responding to feedback may count as multiple assignments.
    - Although professors may permit students to write some assignments under 2(b) collaboratively, the professor must also have the opportunity to distinguish and evaluate each student's individual writing.
- c. Students must receive substantial feedback on the clarity and effectiveness of the writing as well as on the substance and organization of each assignment.

NOTE: While every effort is made to ensure the following lists are accurate, change is inevitable. Courses used to satisfy graduation requirements must be designated as such at the time of registration. Not all courses are offered every year.

### **Unique Second and Third Year Opportunities**

- Students may choose a general course of study or a concentration (https://catalogs.northwestern.edu/law/programs/jd/ concentrations/) in one of six areas.
- Our renowned Bluhm Legal Clinic (https:// www.law.northwestern.edu/legalclinic/) is one of the largest and most comprehensive in the country. The program offers training through a simulation-based curriculum, which includes the Bartlit Center for Trial Advocacy (https://www.law.northwestern.edu/ legalclinic/bartlit/), the Program on Advocacy and Professionalism (https://www.law.northwestern.edu/legalclinic/bartlit/), and the Program on Negotiation and Mediation (https:// www.law.northwestern.edu/legalclinic/negotiations/).
- Students may also choose to pursue on-the-job experience through a Practicum (https://www.law.northwestern.edu/legalclinic/ externships/). Northwestern Law offers Judicial, Criminal, Public Interest, Corporate Counsel, Civil Government, and Mediation practica, which also have a seminar component.
- Second-year students can participate in the Law School's annual Julius H. Miner Moot Court (https:// www.law.northwestern.edu/academics/curricular-offerings/practice/ mootcourt/juliusminer/) competition, an appellate advocacy program administered by third-year students with faculty supervision.
- For those interested in international law, Northwestern Law offers study abroad (https://www.law.northwestern.edu/academics/ curricular-offerings/international/studyabroad/) programs in Australia, Belgium, Amsterdam, Israel, Argentina, and Singapore. Students may also earn credit for summer study abroad programs offered by other American Bar Association-approved institutions.
- Students may also participate in an International Team Project (https://www.law.northwestern.edu/academics/curricular-offerings/ international/itp/) (ITP). Participants work with other students to customize a curriculum and research agenda, then team up for extensive study of the chosen country, including two weeks of field research abroad and a final group project. Recent ITP countries have included Brazil, Russia, Vietnam, New Zealand, Chile, India, and Namibia.

## JD Concentrations

Students who complete a concentration will receive a notation on their official transcripts after satisfying all concentration requirements. Students may enroll in more than one concentration as long as they can complete all the requirements.

The Northwestern Law faculty has approved the following curricular concentrations for students interested in exploring a specific area of law:

- Appellate Law Concentration (https://catalogs.northwestern.edu/ law/programs/jd/concentrations/appellate-law/)
- Business Enterprise Concentration (https:// catalogs.northwestern.edu/law/programs/jd/concentrations/ business-enterprise/)
- Civil Litigation and Dispute Resolution Concentration (https:// catalogs.northwestern.edu/law/programs/jd/concentrations/civillitigation/)
- Environmental Law Concentration (https:// catalogs.northwestern.edu/law/programs/jd/concentrations/ environmental-law/)
- International Law Concentration (https://catalogs.northwestern.edu/ law/programs/jd/concentrations/international-law/)
- Law and Social Policy Concentration (https:// catalogs.northwestern.edu/law/programs/jd/concentrations/lawsocial-policy/)
- Technology, Innovation, and Entrepreneurship Concentration (https:// catalogs.northwestern.edu/law/programs/jd/concentrations/ technology/)

### **Concentration Requirements**

While specific courses for each concentration necessarily differ, all concentrations have a minimum credit requirement, and require completion of at least one substantial research writing project.

### Procedures

Registration/checklist forms (https://www.law.northwestern.edu/ registrar/forms/) are available for each concentration from the Office of the Registrar. Students keep a copy of the form to document completion of their concentration requirements. This form is also used to certify completion of the research/writing requirement. Before students can receive a notation on their official transcripts, the faculty program director must sign the form, certifying completion of the writing requirement and approval of its relevance to the concentration.

Completed, signed concentration forms are due in the Office of the Registrar no later than the grade due date for the last term of the student's attendance. Questions regarding procedural requirements and transcript notations should be directed to the Office of the Registrar.

For information regarding concentration requirements, contact the program director of the appropriate concentration. Should questions arise about whether a particular course is in the area of concentration, the program director will decide.

### **JD Courses**

The following courses are open to JD students. Please note while every effort is made to ensure these lists are accurate, change is inevitable and courses may show alternate program restrictions at the time of scheduling. Courses used to satisfy graduation requirements must be designated as such at the time of registration. Not all courses are offered each year.
