

ADVANCED ACCOUNTING

SPS Certificate website: <https://sps.northwestern.edu/post-baccalaureate/advanced-accounting/>

Students considering the Online Advanced Accounting Certificate program should have already completed the Fundamentals of Accounting Certificate Program (<https://catalogs.northwestern.edu/sps/certificates/post-baccalaureate/fundamentals-accounting/>) or equivalent course work.

Taken together, the Fundamentals of Accounting Certificate Program and the Advanced Accounting Certificate program consists of up to 12 units (equivalent to 30 semester hours). These two certificate programs are designed for post-baccalaureate students who need to complete the accounting course requirements included in the educational requirements for the Illinois CPA Exam (<https://www.ilboe.org/education-requirements/>). (Students planning to take the CPA Exam in a jurisdiction other than Illinois should refer to the related educational requirements (<https://nasba.org/stateboards/>) for the related jurisdiction.)

The Advanced Accounting Certificate program is also designed for accounting and other business professionals who require an in-depth knowledge of accounting for career advancement in their fields. The courses in this certificate program provide in-depth, advanced coverage of a wide range of topics, including those relating to intermediate accounting, managerial cost accounting, corporate income tax, auditing, international accounting, and research and communication.

Additional Information

Students should have substantial academic experience in basic accounting or equivalent accounting knowledge before beginning the Advanced Accounting post-baccalaureate certificate. Recommended prerequisites are:
