In the McCormick School of Engineering and Applied Science

All minors in the McCormick School of Engineering are open to students from Northwestern's other undergraduate schools. These include the following:

- Biotechnology and Biochemical Engineering
  [https://catalogs.northwestern.edu/undergraduate/engineering-applied-science/chemical-engineering/biotechnology-biochemical-engineering-minor](https://catalogs.northwestern.edu/undergraduate/engineering-applied-science/chemical-engineering/biotechnology-biochemical-engineering-minor)

- Computer Science
  [https://catalogs.northwestern.edu/undergraduate/engineering-applied-science/computer-science/computer-science-minor](https://catalogs.northwestern.edu/undergraduate/engineering-applied-science/computer-science/computer-science-minor)

- Entrepreneurship

- Environmental Engineering
  [https://catalogs.northwestern.edu/undergraduate/engineering-applied-science/civil-environmental-engineering/environmental-engineering-minor](https://catalogs.northwestern.edu/undergraduate/engineering-applied-science/civil-environmental-engineering/environmental-engineering-minor)

Information on these options, including course requirements and application instructions, can be found in Academic Options [https://catalogs.northwestern.edu/undergraduate/engineering-applied-science/#optionssupporertext](https://catalogs.northwestern.edu/undergraduate/engineering-applied-science/#optionssupporertext) of the McCormick school section.
