**WCAS MINORS**

**In Weinberg College of Arts and Sciences**

All majors and minors in Weinberg College are open to students from Northwestern’s other undergraduate schools. These include traditional fields of study in the social sciences, the humanities, mathematics, and the natural sciences, as well as many interdisciplinary majors and minors. Undergraduate students from throughout Northwestern may also participate in the Chicago Field Studies programs ([https://catalogs.northwestern.edu/undergraduate/arts-sciences/chicago-field-studies/](https://catalogs.northwestern.edu/undergraduate/arts-sciences/chicago-field-studies/)) housed within Weinberg College.

For more information on all these options, see the Judd A. and Marjorie Weinberg College of Arts and Sciences ([https://catalogs.northwestern.edu/undergraduate/arts-sciences/](https://catalogs.northwestern.edu/undergraduate/arts-sciences/)) chapter of this catalog.
