Honors in Black Studies

Majors with strong academic records and an interest in pursuing honors must notify the director of undergraduate studies during fall of senior year. To qualify for honors, a student must complete a substantial senior-year research project. With the director, the student selects a thesis adviser, who need not be a member of the department. Completion of the thesis ordinarily requires at least two quarters of research and writing. During one or both of those quarters students may register for BLK_ST 399-0 Independent Study with the thesis adviser. This course counts as either 1 of the 6 required "elective courses" in the major or as the senior-course requirement.

Students whose theses and grades meet department criteria are recommended to the college for graduation with honors. For more information contact the director of undergraduate studies and see Honors in the Major. (<https://catalogs.northwestern.edu/undergraduate/arts-sciences/#academicoptionstext>)
