

CHEMISTRY BA/MS

Students who have done outstanding work during their first three years and have a professional interest in chemistry may apply for the BA/MS program when they are within 4 courses of completing undergraduate degree requirements. By the end of the third year the applicant should have completed nearly all of the 300-level course requirements, all or nearly all of the Weinberg College requirements (<https://catalogs.northwestern.edu/undergraduate/arts-sciences/#schoolrequirementstext>), and at least 1 term of independent study.

Information about degree requirements can be found in the Graduate Catalog section describing the combined BA/MS program in Chemistry (<https://catalogs.northwestern.edu/tgs/chemistry/chemistry-bach-mast/>).

Undergraduate students interested in pursuing this program should contact the Director of Undergraduate Studies in Chemistry (<https://www.chemistry.northwestern.edu/undergraduate/programs/advising-research.html>).
