

EARTH AND PLANETARY SCIENCES MINOR

The minor offers students in any major outside the department a flexible path to knowledge of Earth and Planetary Sciences.

Minor Requirements (6 units)

- 2 courses from EARTH 201-0 Earth Systems Revealed, EARTH 202-0 Earth's Interior, or EARTH 203-0 Earth System History.
- 4 300-level EARTH courses (with the exception of EARTH 350-0 Physics of the Earth), of which only 1 EARTH 399-0 Independent Study or 400-level course may be substituted with permission.
