

# EARTH AND PLANETARY SCIENCES SECOND MAJOR FOR ISP STUDENTS

---

Students must also complete the Undergraduate Registration Requirement (<https://catalogs.northwestern.edu/undergraduate/requirements-policies/undergraduate-registration-requirement/>) and the degree requirements of their home school.

**NOTE: This Catalog describes Weinberg College BA requirements that pertain to students who matriculated at Northwestern after spring quarter 2023. Refer to the Archives (<https://catalogs.northwestern.edu/archives/>) if you are following BA requirements described in the 2018-2019 through 2022-2023 editions.**

## Second Major for ISP Student Requirements (5 units beyond ISP requirements):

The Integrated Science Program (ISP) is a highly selective program within Weinberg College. Students majoring in ISP who wish also to complete a major in Earth and Planetary Sciences must fulfill the following requirements (which replace the usual major requirements of the Earth and Planetary Sciences Major (<https://catalogs.northwestern.edu/undergraduate/arts-sciences/earth-planetary-sciences/earth-and-planetary-sciences-major/>)):

- EARTH 350-0 Physics of the Earth for ISP must be completed as a course in the ISP major (no substitutions).
- EARTH 201-0 Earth Systems Revealed
- Three 300-level EARTH courses (excluding EARTH 399-0), including at least one from the Analytical/Instrumentation/Field or Spatial Reasoning Skills Requirement lists on the Earth and Planetary Sciences Major page (<https://catalogs.northwestern.edu/undergraduate/arts-sciences/earth-planetary-sciences/earth-and-planetary-sciences-major/>)
- One additional 300-level or 400-level EARTH course, or EARTH 399-0 Independent Study
