

# HISTORY MAJOR

Students must also complete the Undergraduate Registration Requirement (<https://catalogs.northwestern.edu/undergraduate/requirements-policies/undergraduate-registration-requirement/>) and the degree requirements of their home school.

**NOTE: This Catalog describes Weinberg College BA requirements that pertain to students who matriculated at Northwestern after spring quarter 2023. Refer to the Archives (<https://catalogs.northwestern.edu/archives/>) if you are following BA requirements described in the 2018-2019 through 2022-2023 editions.**

The history major enables students to broaden their intellectual horizons as they study the experiences of people in times and places other than their own. Courses are designed to develop the ability to read insightfully, think critically, and write with precision and polish. Students enroll in a range of historical courses as well as develop an area of concentration. Majors are each assigned a faculty adviser with whom they are encouraged to consult frequently.

Students majoring in history select one of five concentrations and may arrange to emphasize special fields within their concentration:

- History of the Americas
- English/European history
- African/Middle Eastern history
- Asian/Middle Eastern history
- Global history

The program for majors consists of 12 graded courses in history, none of which may be substituted by advanced placement credits. These courses, chosen by the student with the adviser, are distributed as follows.

## Honors in History

Junior majors with strong academic records and an interest in pursuing honors attend informational sessions during winter quarter. They submit a thesis proposal and a letter of recommendation from a Northwestern history professor by an early spring deadline. Those chosen enroll as seniors in a 3-quarter thesis seminar (HISTORY 398-1, HISTORY 398-2, HISTORY 398-3) and submit a completed thesis in May. All 3 thesis seminar quarters (HISTORY 398-1, HISTORY 398-2, HISTORY 398-3) may count toward the major; see the department for details.

Students whose theses and grades meet department criteria are recommended to the college for graduation with honors. For more information consult the director of undergraduate studies and see Honors in the Major (<https://catalogs.northwestern.edu/undergraduate/arts-sciences/#academicoptionstext>).
