**JEWSH STUDIES**

jewish-studies.northwestern.edu

The Jewish Studies Program focuses not only on Judaism in its narrow sense as a religious phenomenon but also in its broader sense as a culture and civilization. A good case can be made that the roots of Western culture lie in two places: Athens and Jerusalem. The traditional education of the humanist scholar recognized this by requiring not only the mastery of Greek and Latin but also of Hebrew. Thus, the study of Judaism in this program considers the many and varied dimensions of the phenomenon of Jewish civilization. A typical program of study includes, in addition to the religious dimension, the historical, sociological, linguistic, philosophic, and artistic dimensions. The Jewish Studies Program offers a major and two minors: Jewish studies and Hebrew studies.

In addition to courses with the JWSH_ST prefix, Jewish Studies courses are offered by many departments and programs.
