

# SCIENCE IN HUMAN CULTURE MINOR

---

## Minor Requirements (7 units)

- Courses are chosen from the list of Eligible Courses (<https://catalogs.northwestern.edu/undergraduate/arts-sciences/science-human-culture/>) or from the approved list on the program website and generally relate to a theme developed with the program director.
- One (1) course must be a 300-level course.
- Up to two (2) courses can double-count toward a major.
- Course substitutions may be allowed with the consent of the program director.
