¹ This does not include SOCIOL 101-6 First-Year Seminar and
SOCIOL 226-0 Sociological Analysis.

² Students taking MATH 385-0 for the adjunct major in MMSS
may double-count this class in place of SOCIOL 303-0 (for
triple major limitations see MMSS Adjunct Major (https://catalogs.northwestern.edu/undergraduate/arts-sciences/mathematical-methods-social-sciences/mmss-adjunct-major)).

³ The following applies:
- SOCIOL 398-1 and SOCIOL 398-2 Senior Research Seminars may count as
2 of the 6 courses.
- SOCIOL 376-0 Topics in Sociological Analysis may count multiple times
with different topics and advisor approval.
- SOCIOL 399-0 Independent Study may be taken more than once, but only
one unit may count toward the major.
- With adviser approval, students may count either 1 Chicago Field Studies
(https://catalogs.northwestern.edu/undergraduate/arts-sciences/chicago-field-studies) unit of credit or 1 Global Engagement Studies Institute
(http://gesi.northwestern.edu) unit of credit toward their 300-level course
requirement. If students wish to count both a CFS and a GESI unit, they will
be permitted with adviser approval to count the CFS credit toward the 300-
level course requirement and the GESI credit toward the related courses
requirement. If students wish to count a 4-credit CFS course as 2 courses
toward the 300-level course requirement, they may submit a written appeal
to the director of undergraduate studies, who will determine whether the
level, amount, and kind of work merits this decision.

⁴ Related courses may include 300-level courses in African American
studies, American studies, anthropology, Asian American studies,
communication studies, economics, gender and sexuality studies,
global health studies, history, international studies, Latina and Latino
studies, legal studies, linguistics, philosophy, political science,
psychology, science in human culture, statistics, or other fields.
Students doing the adjunct major in MMSS may use four MMSS
classes to complete the related course requirement. Related courses
must be approved by an adviser.

Honors in Sociology

Majors with strong academic records and an interest in pursuing
honors should enroll in both quarters of Senior Research Seminar
(SOCIOL 398-1 and SOCIOL 398-2). All sociology majors are eligible to
enroll in this sequence of courses and are encouraged to write a thesis.
Both courses may count toward the requirements for the major.

Students whose theses and grades meet department criteria
are recommended to the college for graduation with honors.
For more information consult the department website (https://www.sociology.northwestern.edu/undergraduate/research-funding/senior-thesis.html) and/or the director of undergraduate studies and see Honors in the Major (https://catalogs.northwestern.edu/undergraduate/arts-sciences/#academicoptionstext).
