- 3 in the school's humanities and fine arts distribution area
- 7 additional units of credit outside the department

Electives
Electives in communication and other areas to complete a minimum of 42 units of credit.

Honors in Communication Sciences and Disorders
An honors program is available for Human Communication Sciences majors in their senior year who have maintained an outstanding undergraduate record through their junior year. Upon successful completion of an honors project, they will graduate with honors in communication sciences and disorders. Also see Honors and Prizes (https://catalogs.northwestern.edu/undergraduate/requirements-policies/graduation-degrees/graduation-honors/).
