SOUND DESIGN MINOR

communication.northwestern.edu/programs/minor_sound_design

The minor in sound design allows students to study and create work in sound as it relates to film/video, new media, theatre, radio, and installation/exhibition projects. The minor draws on courses offered through the School of Communication, Bienen School of Music, and Weinberg College of Arts and Sciences. The minor is open to all Northwestern undergraduate students.

Minor Requirements (6 units)

All courses for SoC majors, minors, fields of concentration and distribution requirements must be completed with a grade of C- or higher and may not be taken P/N.
