DUAL GRADUATE & UNDERGRADUATE DEGREES

Accelerated Master’s Programs
Accelerated master’s programs enable exceptional, advanced undergraduates to apply for admission early and meet requirements for the master's degree in an expedited manner. The programs are highly demanding intellectually, require early commitment to a discipline, and necessitate careful planning.

The Graduate School offers combined degree programs in various disciplines. Interested students should consult The Graduate School’s website (https://www.tgs.northwestern.edu/academics/programs/dual-degrees/bachelors-masters.html) for more information, including application and degree requirements.

The Northwestern Pritzker School of Law offers a coordinated bachelor's degree/master of science in law degree program for Weinberg College and McCormick School students in STEM fields. More information is available from the MSL program.

Students in Medill who exhibit exceptional ability in undergraduate work may apply to that school’s graduate division for early admission to the graduate journalism program. This program allows students to qualify for BSJ and MSJ degrees in 12 to 15 quarters of full-time study. More information is available from the Medill Office of Graduate Admissions.
