

# TRANSFER CREDIT

---

Per the Undergraduate Registration Requirement (<https://www.registrar.northwestern.edu/registration-graduation/graduation-preparation/undergraduate-registration-requirements.html>), students must complete a minimum number of Northwestern credits and quarters in order to complete a Northwestern degree. These minimums also affect the numbers of Advanced Placement (AP), transfer credit, and/or other external credit (such as International Baccalaureate) that may be applied toward the undergraduate degree. The requirement varies depending upon whether a student enters as a freshman or transfer student, and whether the degree program is a four-year program or a dual bachelor's degree program. Students should review the requirement (<https://www.registrar.northwestern.edu/registration-graduation/graduation-preparation/undergraduate-registration-requirements.html>) when attempting to transfer credit.
